Hello,

First off, we hope you had a great 2024. We are trying to get started on fair 2025 and make it the best event possible. Our fair dates will be June 22- June 28 this year. We are still very much in the planning stages of the fair events but with our dates changing we wanted to get this information out as soon as possible. The carnival will run Tuesday through Saturday this year, which is becoming the new industry standard apparently.

This year we are doing something a little different. We will be having a wrestling show in the Merchants buildings on Saturday, the last night of the fair. As a result of this show the **vendors that set up in the Merchants buildings will need to have the things cleared out of there by 8 am on Saturday June 28** to make room for the event promoters to set up their equipment. **If there is anything left in the buildings after 8 am Saturday we will be forced to remove it for the show to go on.** Most of the vendors in those buildings clear out on Friday night anyway so hopefully this isn't too much of an inconvenience for everyone.

We will be handling booth spots again this year, if you have any questions feel free to contact either of us at the contact information listed below, preferably via text. If we are unable to answer a call, we will return any voicemails left for us. Please fill out the attached paperwork completely and return with payment to secure your previous spot for 2025 by April 15, 2025 if you are a returning vendor.

Looking Forward to 2025
Thank You!
